

# IDAHO GLOBAL WAR ON TERRORISM MEMORIAL ASSOCIATION

Fellow Idahoan:

How many times have we all seen articles in the news media regarding the armed conflicts currently raging around the globe? How many times have we had cause to reflect on the toll that these conflicts have on us and those that we know? Odds are that we all know someone that has been directly involved, or we know someone who has a loved one in harm's way.

This letter comes to you on behalf of the many men and women who made a commitment to live by a theme shared by less than one percent of our population and gave the ultimate gift that one can give to his fellow man, their very lives. The common theme among them includes concepts such as dedication, honor, selfless service and a devotion to this country and everyone and everything that this great nation stands for. These are the men and women that set a standard for all of us to aspire to.

The Idaho Global War on Terrorism (GWOT) Memorial Association has been formed by a cooperative coalition of veterans' organizations and private individuals in order to create a lasting memorial to those who have lost their lives since September 11th, 2001. Our goal is to erect a memorial that will enable the names of those lost in the attacks on Washington D.C., Iraq, Afghanistan and other locations worldwide in the defense of those preyed on by terrorist organizations, to live on and never be forgotten.

We have a great opportunity to honor those who have laid down their lives defending this nation and others against terrorism. Listed on the GWOT memorial will be the names of Idaho service members and Department of Defense civilians who perished in the attack on the Pentagon as well as those casualties from the Iraq and Afghanistan campaigns. Names will be listed chronologically and will include their rank, branch of service and age.

Let the people of the great state of Idaho honor those who gave all. Let's let their loved ones know for eternity, that Idaho thanks them for their sacrifice and that they will not be forgotten.

Please make your tax deductible donation to the Idaho GWOT Memorial Association today, so that we can honor those who did not come home.

Thank You,
